Karen,

There appears to be work happening at the bump out at SE corner of Hollywood and Whitley.

Please see attached photo. Do you know what this is?

Thanks,

Dan, we got out of our meeting and talked with the Top End construction guy. He is not sure who is paying for it, but they pulled out about 8 squares of the rough terrazzo because there were some holes in the terrazzo, and they are replacing it. Not sure if city or Chamber is paying for it. I'm flabbergasted, because I didn't think anyone really assumed responsibility for the bump out maintenance. I gave him my card and he said he would have his boss call me.

Going to look a lot better.

Kerry

Yes that would be them. Are they authorized to put in a bump out?

Hi Jeff and Linda,

I believe Top End is working on a project to repair and replace some terrazzo at Hollywood and Whitley.

Is this through HHT?

Great. I think there are 5 bump outs in total; Do you know the locations of the other 2 that are being improved?

Thanks Jeff!
